

Data Analyst

E3R Opportunity, San Diego, CA; Data Analyst:

Job Description:

E3R is seeking candidates to fill a Data Analyst position. We are looking for a candidate with a strong Information Technology and/or Data Analysis background. They should be familiar with at least one programming language and have experience using at least one database application.

In this role, you will be supporting the Rapid Defense Experimentation Reserve (RDER) by utilizing DoD's big data platform (Advana) for analysis and development tasks. You will be joining a diverse group of data analysts, subject matter experts, and system engineers to discover trends and make assessments on novel technologies and experiments.

Required Knowledge, Skills, Abilities (KSAs):

- Direct work experience with database, spreadsheet, or list manipulation, visualization, and design in software such as MS Excel, MS Access, SharePoint, Power BI, etc.
- Experience programming in object oriented, scripting, or query languages (C/C++, Java, Python, SQL, etc).
- The ability to work with a cross functional team or independently on problem solving tasks.
- The ability to analyze sparse data and make correlations useful to decision makers.
- Experience presenting to groups online (Zoom / MS Teams) or in person.
- Excellent writing and grammar skills.
- Track record of consistency and reliability.

Highly desirable KSAs:

- Work experience using software applications such as: Qlik, Tableau, Collibra, Databricks, Grafana or Apigee.
- Experience programming in languages such as R, SAS, Julia or MATLAB.
- Experience using data analysis and machine learning libraries such as TensorFlow, PyTorch, Pandas, Numpy, etc.
- Experience normalizing or standardizing data sets.

Security Clearance Requirement: U.S. Citizenship and an active TOP SECRET/SCI clearance.

Education Requirement: In progress or completed Bachelors of Science degree in Data Science, Computer Science, Information Systems, Information Technology, or Software Engineering is preferred. Five or more years in the Military service as an IT/CT or similar in a commercial environment can also satisfy the requirement.

Place of Performance: San Diego, CA

Salary Range: \$90,000 - \$130,000 (dependent on experience)

Typical Working Conditions: Split between home and a General office environment;
Computer/Equipment lab

Benefits: E3R has a comprehensive benefits plan which includes HMO/PPO Medical Plan Options, Employer Sponsored Health Reimbursement Arrangement, 401(k), Dental and Vision Plans, company paid Life Insurance, Voluntary Life and AD&D, Pet Insurance, Employee Assistance Program as well as Paid Time Off, Sick Leave and Paid Holidays.

Company Description:

Exceptional Employees for Exceptional Results (E3R) was founded June 6th, 2011 as a Service Disabled Veteran Owned Small Business. Our company name reflects our business model. Corporate management and infrastructure do not provide direct support to our clients. Our employees do. If we attract and retain the best employees in our industry, we will be successful. If we fail to provide a quality workforce, nothing else matters. We achieve our purpose and our business success through hiring and retaining the very best employees in our industry.

How to apply: Interested candidates who meet the qualifications above should apply via the following link: <https://www.ondemandassessment.com/link/index/JB-AWXM7IY7?u=1137965>

E3R is committed to providing equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, age, physical or mental disability, national origin, citizenship, military or veteran status, sexual orientation, gender identity and/or expression, genetic information, or other status protected by federal, state or local law.
